

Dear Scout parent,

We hope you had an amazing year with Scouts and look forward to seeing you again. As a Scout, your son will learn valuable life skills and build confidence and character, all while positively impacting the community and making lifelong friends.

Now we need your help spreading this rewarding experience to other parents in your community in order to help Scouts be stronger than ever! Here are just a few of the incredible stats worth sharing:

- 17 million hours of **community service** were recorded since 2013.
- More than 80 percent of Scouts **maintain strong family relationships**.
- Over 90 percent of Scouts **graduate from high school**.
- 80 percent of Scouts say that Scouting helps **improve self-confidence and goal setting**.

How can you help? First, we've provided the cards below for you and your son to give to friends and family inviting them to join the Scouting adventure. Next, mark your calendar for fun events your son will experience like Spook-a-ree, Cub-o-ree, and a Cincinnati Reds game, all outlined on the next page.

Finally, see the last page for details about how your family can win cool prizes just by sharing your Scout spirit!

New this year is the opportunity to join the adventure earlier through the new Lion Scouts program exclusively for kindergarten-age boys.

Sign-up days are September 1–September 10, so start spreading the word!

Sincerely,

Jason Wolz
