Dear Cub Scout Leaders/Parent,

Thank you for choosing to be a leader at Cub Camp Adventures! It is only with the dedication of leaders/parent like you that the boys will have a fun and rewarding time at camp. At Cub Camp Adventures you and your boys will enjoy the great outdoors, play fun games, learn essential Scouting skills, and create memories that will last a lifetime!

Resident Camp and Family Camp offer exciting and rewarding programs for all Cub Scouts. Every season we strive to improve our camp by offering exciting new activities and outdoor advancement opportunities. We encourage Packs to bring costumes or props that will fit in with your area’s theme!

Your job as a leader/parent is the most rewarding one at camp. You will feel how rewarding your role will be as you experience the Scouting spirit of resident camp. You will find yourself laughing, singing, and playing right along with the boys. Our staff is trained to provide an exciting, action-packed program, as well as make your stay as comfortable as possible.

Be sure to review the 2017 Cub World Camp Guide carefully to assist you in preparing for camp. This guide will help you understand some of the logistics of camp, answer some of your questions and concerns, and arrive at camp ready for fun and Scouting.

ONLINE REGISTRATION! To begin your adventure, log on to www.danbeard.org/cubcamp and select Register For Camp from the drop down menu or click on the buttons at the bottom of the page.

An orientation meeting will be held very soon after your arrival at camp to inform you about everything you need to know about your stay. You are also encouraged to attend our mid-session Cubmaster Coffee” to share your thoughts on the camp. Our goal at Cub World is to provide the very best possible camping experience, so your input is essential to improving our camp.

“DO YOUR BEST” to get ready for the fun and adventure that our highly enthusiastic staff has to offer. If you have any questions, please feel free to call the Scout Achievement Center at (513) 577-7700. We look forward to seeing you at Cub World!

Yours in Scouting,

Gene Schmidt
Cub World Camp Director
ADVANCEMENT
While fun is a focus of the Cub World Camp Program, many different advancement opportunities will be part of the fun. This year at Resident Camp each session of camp will have two different program focuses that the scouts can choose from. These include the STEM and Outdoor Masters programs. Each camp session will offer both programs, and scouts will choose from them when they register. Scouts will get sorted into these during the Area Time for each group.

Please note that it is the leader’s responsibility to track advancement at camp. The camp will provide you with a guide of the requirements you can use to track each boy’s progress. The camp does not file advancement reports or keep a record of each Scout’s advancements.

CAMP-WIDE GAMES
On the first and second (third for 4 Day Adventures) evenings of camp, the entire camp will come together to play a camp-wide game (excluding Webelos II Scouts, who will participate in an outpost on the second or third evening of camp). These gigantic games will surely be the highlight of the week as the entire staff and all the campers will take part in a massive game that will cover the entire camp grounds. As with all activities, leaders are encouraged to take part in the fun. The camp staff will have prepared an evening of excitement complete with costumes, props, and a game that will draw every camper in.

CAMPFIRES
What would camp be without a campfire? The most memorable moments of camp is the opening staff-led campfire on your first night of camp. Not only will you get a chance to meet the staff that will be with you all week, but you’ll see them at their silliest. There will be enough skits, songs, and nonsense to keep you laughing until you come back next summer!

On your final evening at camp, Scouts will have a chance to practice their own showmanship at the family night campfire. Each Pack is invited to perform a skit or song in front of the camp. Make sure and practice when there is some downtime, and the camp staff is available to help your pack come up with ideas for your performance.

OUTPOST
For Webelos II Scouts, Resident Camp is a perfect time to prepare for the crossover into Boy Scouting. On the second (or third for 4 Day Camps) night of camp, all Webelos II Scouts will have the unique opportunity to follow the staff up into the hills of Cub World and experience Camp Friedlander first hand. Following this exciting hike, the boys will settle into their own campsite on the edge of Cub World, playing games, learning real Scouting outdoor skills, cooking over a fire, and sleeping out under the stars. The Outpost activity has been the favorite of older Cub Scouts for many years, and is meant to prepare boys for the more challenging experiences of Boy Scouting ahead. We ask that leaders do not participate in this event, as this is a great time for the campers to bond with the staff and begin to learn a sense of self-sufficiency and leadership. The campers will be supervised by adult staff whom will remain in constant contact with the camp management. Webelos II Scouts will need to bring a backpack, bedroll, water bottle, pocket knife, and flashlight for this activity.
CAMP STAFF

A summer camp program is only as good as its camp staff, and at Cub World, our staff is top-notch. For two months of the year, staff members call Cub World “home” and dedicate themselves to providing an excellent camping experience to every boy. We hire only high-quality staff members who have a strong interest in making a positive impact on our young Scouts.

Over your week at camp, the camp staff will become quite familiar to you. They are there to lead games and activities for the Scouts, make sure your expectations are met and exceeded, and to generally help leaders however they can. If you have any questions or any issues, feel free to ask a staff member for help – he or she may not be able to help you, but they will quickly find someone who can.

Each program area is managed by an Area Director (A.D.) who plans, creates, and supervises the area staff to run the program. Your A.D. will also make sure that your lodging area is clean and stocked for all your needs.

Your Program Director, Kevin Hoeben will work hard to make sure that each area is successful in providing a quality program and will also lead exciting activities while the entire camp is together.

Your Camp Director, Gene Schmidt is there to make sure that every operation of camp is as successful as possible, including managing the staff, meeting food needs, ensuring safety in camp, and working with leaders in creating a quality experience.

Your Camp Commissioner is there just for you! Feel free to approach him at any time to talk about your experience, share any issues that may arise, or just to chat. He will also make sure advancement requirements are being met, and help your Pack achieve the Honor Unit award (see page 6).

LEADERS’ MEETINGS

Resident Camp holds a Leaders’ Meeting on the first morning of camp following check-in during three-day and four-day sessions hosted by the Camp Commissioner. It is critical that at least one representative from your unit attends all leaders’ meetings at camp. Important information and schedules are shared here.

Input from leaders/parents is critical to continually improving the Cub World experience. A “Cubmaster Coffee” will be held mid-session during three-day and four-day to evaluate camp and to offer leaders an opportunity to make suggestions and ask questions. Please make every effort to attend. Also, this is a good chance to socialize with other Den/Pack leaders and share ideas. Our Staff will remain at your campsites to watch the campers as the “Cubmaster Coffee” is being held.

FAMILY NIGHT:

On the final night of Resident Camp, parents and families of Cub Scouts attending camp are welcome to come experience Cub World for our end of the week finale. Family night begins at 5:30pm. A camp-wide flag ceremony at 5:45pm will be followed by a special dinner at 6pm. Our closing campfire will be after supper and each Den/Pack will have an opportunity to perform a skit or song before the camp, followed by an Award Ceremony and a slide show highlighting the events from throughout the week.

Meal reservations for family members attending family night meals must be made 24 hours in advance. Meal tickets will be distributed to Pack leaders at the flag ceremony prior to dinner based on the number of meal reservations. Only those who have paid and completed a meal reservation form will be served dinner. This form can be found online at http://www.danbeard.org/pubs/Family_Night_Reservations.pdf.
CHAPLAINCY SERVICE:
We at Cub World believe very strongly in a religious awareness at our camp. Your Chaplain is there to add a spiritual element to the camp, as well as make sure all the boys are comfortable during their stay. A Camp Chaplain will be available for counseling and can be contacted very easily. A non-denominational religious service will be offered on Sunday mornings we will accommodate any program or food restrictions due to religious beliefs. We do ask that if you have any such restrictions that you please submit the Special Diet request form (found online at http://www.danbeard.org/pubs/Special_Diet_Request.pdf) at least two weeks prior to your arrival so that we can be adequately prepared to meet your needs.

Pack Time:
Pack time is allotted several times throughout the week. This is an opportunity to do Pack activities with all the different age dens within your pack. This will be time for packs to do service hours or relax as a pack. This is also a great time to interact with other Packs in your living areas and have the scouts and leaders create new friendships and spread scout spirit.

HONOR UNIT:
On top of the many advancement boys can achieve at camp, Packs can also earn the coveted “Honor Unit” award during three and four day sessions. This award, symbolized by a Pack flag ribbon, recognizes those units that complete a set of requirements based on service to the camp and Scout spirit. In addition to demonstrating scout spirit at all times, and being on time to all flag ceremonies, packs will need to complete any 3 of the 4 following requirements:

- Assisting with cleaning up the dining hall after a meal
- Acting as color guard for a camp flag ceremony
- Performing a skit or song during the closing campfire
- Completing a camp service or conservation project"

Your Camp Commissioner will track your progress toward the award. See him at the beginning of the week to sign-up for the requirements. In addition to the Honor Unit, one Pack will be named the “Distinguished Honor Unit” for showing exceptional Scout spirit and going above and beyond the call of duty. Good luck!
Resident Camp is theme-oriented. Activities may include archery and BB gun safety and marksmanship, swimming in a fifty-meter pool, fishing, sports, and activities related to advancement requirements. No camp is complete without lots of boisterous singing and skits around the evening campfire.

Each den will follow a rank-based program schedule to be assigned soon after your arrival at camp. In most cases, Dens will be grouped with a Den from another Pack to reach an ideal group size. This not only makes sure there are enough participants for each activity, but also gives the boys a chance to meet new friends.

*The last day for three and four day session will include the family night campfire (see schedule above). Campers will depart following the campfire.
THEME AREAS

Cub World is designed for camping by Dens. This unique way of camping allows your boys to spend their time experiencing the past and preparing for the future. Camp offers new opportunities (theme-oriented activities related to the campsite) as well as a chance to repeat some favorite activities (i.e. swimming, shooting sports, nature, crafts and sports) from year to year so that all campers - from Tiger Cubs to Webelos - will have unique, age-appropriate experiences this year and every year. Scouts are housed in any of the four program areas based on rank and participate in the age appropriate program there. Each program area sleeps 72, excluding the Fort, which sleeps 68.

Some Packs prefer to lodge together in one theme area. While we encourage campers to lodge in the program area that matches their rank, if your Pack must lodge together because of the leadership requirements, this can be arranged (check the box on your registration form). Remember, only one leader is needed for each theme area as long as the two-leader per Pack minimum is met.

Soon after your arrival at camp, your Den or Pack will be given a group assignment based on the campers’ ranks. Your group assignment will determine the schedule you will follow during the day. For Packs that lodge together, the group assignment the campers are given will not necessarily match the area where they are lodging (for example, Webelos II lodging in the Fort will follow a Miner’s Camp schedule). Please be flexible when given your group assignment so we can ensure that each Scout is matched to the program that fits him best.

Fort

This location offers four and eight person sleeping rooms with screened windows, bunk beds with mattresses and an indoor plumbing facility. Each room also has electric outlets for a box fan on hot nights, and there is a fire ring behind the Fort for den campfires. Your shower house facility will be shared with the Castle.

The Fort daytime program is designed for Wolf Cub Scouts and Tiger Cubs to help ease the boys (sometimes leaders, too!) into the camping experience and includes lots of games, crafts, and fun for younger boys. The theme of the Fort will invite the boys to imagine themselves as a Pecos Bill, a legend of the American Old West.

Castle

Like the Fort, this location offers four and eight person sleeping rooms with screened windows, bunk beds with mattresses and an indoor plumbing facility. Each room also has electric outlets for a box fan on hot nights, and there is a fire ring next to the Castle for Pack campfires. A shower house facility will be shared with the Fort.

The Castle daytime program is designed for Bear Scouts, mid-level Cubs, and will include some Scouting skills, lots of games and sport activities, and crafts. The theme of the Castle will be King Arthur and the Knights of the Round Table.

Mountain Man Village

This is a unique camping experience in canvas tents on large wooden platforms up in the hills of Cub World. Each tent can sleep two and includes cots and mattresses. A large pavilion at the bottom of the hill serves as an assembly area. The shower house shared with Miner’s Camp is only a short walk away from the village.

The Mountain Man daytime program, designed for First Year Webelos as they prepare for their journey into Boy Scouts, is more primitive than the Castle and Fort programs and will include many Scouting skills and a focus on the outdoors while still offering plenty of games, sports, and crafts. The theme of the area will be centered around the Paul Bunyan and his blue ox, Babe.
Miner’s Camp
This is the most primitive of the theme areas. The tents are on wooden platforms setup like a railroading campsite, as in the stories of John Henry. Each tent sleeps two and includes cots and mattresses, and the camp has a pavilion and fire ring. A shower house shared with the Mountain Man Village is a short walk from the camp.

The Miner’s Camp daytime program, designed for Second Year Webelos, is focused on outdoor skills and preparing for the crossover to Boy Scouts. The most anticipated activity for Miners is the one-night “Outpost.” This exciting experience will find the boys hiking through Camp Friedlander to see first-hand what the Boy Scouts do, followed by the fun and adventure of spending the night under the stars with the camp staff at a campsite on the edge of Cub World.

Fishing Shack
New this summer is our Fishing Shack! Here Scouts will be given the opportunity to fish in our new pond and hang out at our Bait Shop themed fishing area. Built to look like a bait shop straight out of the swamps, this new pond has been stocked and is ready for Scouts to cast a line. Who will catch the biggest fish this year? Will it be you?

FOOD SERVICE
Meals are served in the Frisch’s Big Boy Dining Pavilion by a contracted food service. Grace will be said before all meals and you’ll have plenty of opportunities to warm up your vocal chords with some great camp songs. Hats should be taken off while dining. And Francis, the Big Boy doesn’t wrestle, so please no climbing on him. We are committed to providing meals with the proper nutritional value. We will provide three meals a day for full days at camp, your first meal for two day sessions will be dinner, and for three and four day sessions it will be lunch. If you have campers with food allergies, religious or other special diet requirements, please use the “Special Diet” request form found at http://www.danbeard.org/pubs/Special_Diet_Request.pdf and send to the camp at least two weeks in advance of your arrival so that our cooks can be prepared to meet your needs. For major concerns, please contact the Camp Director directly at 513-831-8311 and choose Cub World.

TRADING POST
We invite you to come enjoy our Trading Post located in the front of the Fort. The Trading Post offers a variety of things such as: Camp T-shirts, patches, craft items, camp souvenirs, camp supplies, even sleeping bags, candy, snacks, soda, juice and the ever-popular Slush Puppies. We also have a variety of other supplies, cameras, batteries and more. The Trading Post is also air-conditioned. It is open daily and after the final campfire; look for hours posted on the front door. We will also have featured products and demonstrations completed daily to showcase new or fun items that you can utilize and take home with you from your great week at camp. The Trading Post is not open during meals.

ADMINISTRATION BUILDING
The Camp Administration Building is home to the camp office, health lodge, management office, and the staff and leader lounge. At the camp office, you can send and receive mail, get copies of schedules and maps, sign in and out of camp, and locate any camper or leader – the camp clerk is available to assist you with any administrative needs that might arise during your stay.

You are welcome to come relax in the staff and leader lounge to take a break or chat with the staff. It’s also a great place to “cool off,” as it is one of the few areas in camp that is air-conditioned! Campers are not permitted in the administration building without a leader, and the lounge is for staff and leaders only.
PACK LEADERSHIP RESPONSIBILITIES

We would like to thank you in advance for all that you will do before and during camp to ensure that the boys have a great time. Parents and Pack leadership will share in one of the most unique experiences of their lives. You are vital in the operation of Cub World Resident Camps.

In accordance with BSA Youth Protection policies, there must be one adult leader for every five boys and a minimum of two leaders for each unit. If your Pack has multiple dens staying in different theme areas, only one adult is needed for each den as long as the two leaders per Pack minimum is met.

We do ask that the Den/Pack and you assist in clean up at meal times and in the program areas; this is a great service to the camp. We encourage you to talk to your Camp Commissioner to choose the service projects that will be available to you and your Scouts. These projects provide a great opportunity for you and your Pack in helping us keep the camp looking great and providing a quality camping experience for future campers and will help your pack earn the honored unit award.

As stated before, Resident Camp requires one adult for every five boys, with each group having a minimum of two adult leaders. However, you are free to rotate leaders or parents on a prearranged schedule to accommodate those that cannot stay session and give all adults a chance to experience camp with their sons. Please note: when rotating leaders, you must replace female leaders with female leaders and male leaders with male leaders. This is necessary for the camp in making room assignments to ensure all leaders have a place to sleep. Additional leaders who are visiting or not staying the entire session can purchase meals at the Camp Office instead of paying the full adult fee. Please make sure your pack’s leadership covers all hours of the day and night. Please be sure that all visitors and new adults arriving at camp check in with the Camp Office Manager at the Administration Building.

CAMP POLICIES AND PROCEDURES

Visitors and Late Arrivals

All campers and leaders arriving at camp at some time other than check-in must register at the Camp Office and get a camp ID bracelet. It is also important that any leader being replaced checks out. We must know who is at camp at all times. Everyone in camp will be given a camp ID bracelet to be worn at all times.

All visitors must sign in and sign out with the Camp Clerk at the Administration Building and get a camp ID bracelet. Any visitor who has not registered may be asked to leave camp. It is important for safety that we know who is visiting our camp and when. Visitors who intend to eat a meal at camp must purchase a meal ticket at the camp office. Meal rates are as follows: Breakfast - $5; Lunch - $6; Dinner - $7.

While we encourage every boy to experience Resident Camp in its entirety, any child that needs to be released early must have an “Early Release Form” filed at the beginning of camp. If there is to be an emergency release then a parent or guardian must be the person picking the child up and must show a picture ID. Any emergency release should be made known to the Camp Director as soon as possible and before the youth leaves the camp.

Medical Exams and Procedures

During four-day sessions All campers (youth and adult) must bring a completed Annual Health and Medical Record, Parts A, B, and C to camp. Note this form that must be signed annually by a certified health-care provider. A parent or guardian must sign all Cub Scouts’ Health and Medical Forms and be dated within a year prior to camp. We strongly recommend bringing a COPY of the form and not the original.

During Two-day and Three-Day sessions all campers (youth and adult) must bring with them to camp the Annual Health and Medical Record with parts A and B completed, you do not need a doctor’s signature. We strongly recommend bringing a COPY of the form and not the original.
Prescription and non-prescription medication:
All medications, prescriptions and non-prescription, brought to camp by campers and leaders are REQUIRED to be secured and locked in the Camp Health Lodge. This may seem too strict for adult over the counter medications; however, if a child consumes medication that is not meant for them, it has deadly potential. There will be certain exceptions for lifesaving medications to be carried at camp. This decision will be made during the medical exam given by our health officers. Medications will be available for distribution following each meal or at other times arranged with the health officer.

MEDICATION MUST BE IN THE ORIGINAL CONTAINER and contain the following information:
1. Camper’s Name
2. Name of Prescribing Physician
3. Prescription Number
4. Date Prescribed
5. Name of Medication
6. Directions for Use

We have a qualified medical staff that is on duty at all times. A recheck of your medical form is required for all campers on the first day of camp.

Emergency Procedures
An air-horn system can be heard throughout the camp to alert campers and staff of an emergency. Each camping area has an air-horn hanging near the entrance for emergency use by adults only. In the case of an emergency, staff is trained to respond only to the Camp Director, or in his absence, his designee. We ask that you do not take matters into your own hands, as it may conflict with the camp procedures. If there is an injury that is not life-threatening, do not call 911 unless given instruction by the Camp Director.

Mail and Telephone Service
Mail is always encouraged at Cub World. Campers love to receive a letter from home. Mail service usually takes two days; please consider this when getting a letter prepared. The envelope should include:

Scout Name - Campsite and Pack #
Cub World Resident Camp
6035 Price Road
Loveland, Ohio 45140

Some parents prefer to send mail along with the camp leader to be distributed throughout the week. These items can be dropped off at the camp office and will be delivered on the appropriate day during the evening camp “mail call.”

The emergency telephone number at Cub World is (513) 831-8311. A clerk staffs this phone during program hours. There is a camper courtesy phone, located at the front of the Administration Building, that is accessible at all times. Boys can make emergency outgoing calls when accompanied by one of their adult leaders.

Parking
In accordance with BSA policy and safety regulations, PERSONAL VEHICLES ARE NEVER PERMITTED IN CAMP. However, a handicap accessible pass will be provided upon request at the clerk staff desk. The parking lot is clearly marked and just outside the entrance to camp. Only emergency and maintenance vehicles will be allowed to park at the Administration Building and all others will be immediately towed. The Ranger staff will haul gear to your campsite upon your arrival at camp. This policy is for the safety of all campers. Please make parents who might be visiting camp during the week aware of this important policy. We appreciate your cooperation in parking only in designated areas.

Uniforms
You will notice that our camp staff sets a good example by wearing their uniform correctly and with pride. While not required, we encourage all Scouts to wear the official Cub Scout uniform during all evening flag ceremonies, dinner, and campfire programs. Scouts participating in a flag ceremony before the camp are strongly encouraged to wear their Field uniform shirt.
Youth Protection
The protection and privacy of our campers is taken very seriously at Cub World. All adult leaders and camp staff must follow BSA Youth Protection guidelines. Bathroom facilities are separated, with a large youth side and individual shower stalls for adults. Youth should not enter the adult stalls, and adults should not enter the youth side of the shower house. Similarly, youth may not bunk in the same room or tent as an adult unless the adult is their parent or guardian. You may take the Youth Protection Training online or by checking out the DVD from the Scout Achievement Center.

Smoking, Vaping and Alcohol
Cub World is a non-smoking facility. Smoking, vaping or any tobacco use in front of any camper, leader, or staff member is strictly prohibited. One designated smoking and vaping area is available at the bridge closest to the river in the tree-line between the parking lot and the dining pavilion. Staff will refer to this as the cookie bridge and are available to show you exactly where it is. Alcoholic beverages are never permitted on any Boy Scout property. Please help the camp enforce these rules by making sure all leaders and parents in your Pack are aware of this policy.

Homesickness
For a few boys, three nights away from home can be an intimidating experience. While most boys find themselves too busy with the fun and adventure of camp, homesickness can be a reality for Scouts who are new to the outdoors or unfamiliar with being away from home. We encourage every boy who experiences homesickness to stay at camp, as overcoming homesickness often results in a strong sense of pride and achievement.

We have found that one of the strongest proponents of homesickness is the cell phone. Leaders/Parents are strongly discouraged from allowing boys to use cell phones to call home. When a boy sees another boy calling, he will usually feel the need to call home himself. This can quickly become a homesickness epidemic. Instead, boys should be encouraged to write a letter home, talk about the fun they are having camp, and challenged to stay another night before deciding to leave camp. Parents should talk to their sons before he comes to camp about his feelings about leaving home, and make a plan about how to handle homesickness. The Camp Chaplain is available at all times to counsel boys who might feel homesick, and more often than not a little extra attention is all it takes to combat homesickness.

Check-In Procedures
Our friendly staff will greet you as you arrive in the parking lot and assist you with check-in procedures. Check-in begins at 10 a.m. during three-day and four-day sessions and at 5 p.m. during two-day sessions. Assemble your Den/Pack in the parking area. Please use the “Check-in Checklist” in this guide to help prepare for the registration process. All gear should be stacked at the appropriate shelter/tarp for transport by Camp Rangers to your designated campsite. The adult leader in charge should proceed to check-in at the Frisch’s Dining Pavilion to submit the needed forms and payments due. Once registration is complete, a staff member will escort your Den/Pack to your campsite. Any late arrivals should park in the parking lot and walk to the Administration Building for check-in and camp ID bracelet.

CAMP FORMS

Swim Checks
As a camp operated under the auspices of the Boy Scouts of America, we follow aquatic safety standards as specified by Boy Scouts of America National Camping School. These standards call for a swimming ability check to be conducted for every person who enters the pool and buddy tags to monitor who is in the pool area, whether in the water or not. Buddy checks will be conducted every 10 to 15 minutes. Ability swim checks can be conducted in advance of arriving at camp with the Swim Classification Record found online at http://www.danbeard.org/pubs/Swim_Classification.pdf. With limited pool time available during camp, completing swim checks in advance will keep you from taking one trip up to the pool that will be for swim checks only. Bring the completed form with you to registration when you arrive at camp. Swim checks can also be completed at camp, however, the more Dens/Packs that have advance swim checks, the less time you will spend waiting in line at the pool. There are several places that will allow you to use their indoor pool. Check with the local YMCA, high school, community center or some hotels. A qualified instructor must certify all advance ability swim checks. See the form for details.

Visitor Meals
Visitors to camp may purchase a meal ticket at the administration building upon their arrival for all meals except for Resident Camp family night dinner (three-day and four-day sessions only). Please fill out the Family Night Meal Reservation Form for all visitors planning on eating dinner and submit with the proper payment (noted on the form) upon your arrival to camp. Other meals can be purchased for $5 (breakfast), $6 (lunch), or $7 (dinner).

Medical Forms
All campers and adults staying overnight must bring a completed Annual Health & Medical Record to camp. If you are coming to camp for a four-day session a physician’s signature is required. It is a good idea to make a copy of all medical forms for future use. A parent or guardian must sign all Cub Scouts’ Health and Medical Forms and be dated within a year prior to camp. We do not keep medical forms once camp is over.

Camper Early Release
For the safety of all campers, any camper that expects to leave camp at any time before the scheduled camp closing must have a completed Early Release Form. This form must be submitted upon arrival to camp. When the adult picking up the child arrives, they will be expected to present a photo ID to be matched to the form. This form can be found online at http://www.danbeard.org/pubs/Early_Release_Form.pdf.

Adult Partner Schedule
Your Pack may find it easier to meet the leadership requirements by trading leaders out during the week. This can be done using the Adult Partner Schedule. Please note that in order to meet your original registration attendance, male leaders can only be replaced with male leaders and female leaders with female leaders. This is due to the fact that male leaders cannot room with female leaders and an additional leader of the opposite sex would require an additional room. If your pack must replace a male leader with a female leader (or vice versa), the full adult fee will be required and you should include both leaders on your Pack Registration Rosters. The Adult Partner Schedule form can be found online at http://www.danbeard.org/pubs/Adult_Partner_Schedule.pdf.

Seconds!
What could be better then a second session of camp? How about a second session of camp for a discounted rate! With Cub Camp Adventure’s “Seconds! Program” you and your scouts can get just that. Campers that attend a Cub Camp Adventure session can attend a second session for a discounted rate (this applies for all two, three, or four day resident camps and for five day community camps). Discounted rates can be found at the link below. http://www.danbeard.org/pubs/2017_Cub_Scout_Summer_Camp_Fees.pdf
Individual Camper Registration Form

It is our goal at Cub World to make sure every boy has an opportunity to attend Resident Camp. Some Scouts may find that they cannot attend Resident Camp at the same time as the rest of their Pack, or perhaps they want to attend a second week of camp. Scouts can be registered on an individual basis online. The camp will find another Pack that is willing to provide leadership for the individual camper. Individual Scouts will be required to pay in full at the time of registration.
