Dear Scout parent,

We hope you and your son are having a blast in Scouting and that you can’t wait for the adventure to continue this fall. As a Scout, your son will learn valuable life skills, build confidence and character, positively impact the community and make lifelong friends. Scouts have fun while learning those positive core values that we all cherish.

Help Scouts be stronger than ever! We need your help spreading the word to other parents in your community about this rewarding experience and the good things local Scouts are doing in your community.

Did you know…

- Last year alone, local Scouts officially recorded 168,617 service hours on community service projects for local communities here in Southwest Ohio and Northern Kentucky.
- Prior Scouts are 55% more likely than non-Scouts to have held a leadership position at their workplace and 76% more likely than non-Scouts to have held a leadership position in their local community.
- Scouts are 53% more likely than non-Scouts to have provided service to others, service to the community, and demonstrated leadership traits.

How can you help? First, take a moment to fill out the cards below with your son so he can give them to friends and family to invite them to join the Scouting adventure. Next, mark your calendar for fun events your son will experience, like Spook-O-Ree, Cuboree and a Cincinnati Reds game. See the following page for more information.

Finally, see the last page for details about how your family can win cool prizes just by sharing your Scout spirit!

Sign-up days are August 28–September 8, so start spreading the word! Once again, kindergarten-age boys once again have the opportunity to join the adventure earlier through the new Lion Scouts program.
