I, _____, Summer Camp Adult Leader for my unit, understand that I am responsible for the early release of all Scouts in my Unit throughout my time at Summer Camp.

I, or my designees noted below, will be responsible for signing out each Scout to an approved guardian upon their departure from the Dan Beard Scout Reservation in the camp office, and signing them back in if they return to camp.

Scouts will only be allowed to leave camp prior to the end of the session if their departure is noted on the reverse side of this document. Departures may be added to this document at any time with approval from the Summer Camp Adult Leader.
