

COOKING WITH BOY SCOUTS

Great Opportunity for Boy Scout Troops! Serve a couple of days at a Community Camp and work on your Cooking Merit Badge. New to the Cub Scout program is an adventure called "Cast Iron Chef." Who better to show the Webelos scouts how they need to be able to cook as a Boy Scout than the pros themselves...Boy Scouts.

What's needed?

We are looking for a Boy Scout Troop to commit to 2 days to help the Webelos do meal planning, fire building, and outdoor cooking. The troop would spend a few hours the 1st day teaching groups of Webelos about nutritional meal planning for a campout. The second day the troop would assist the groups in building fires and cooking their meals. Two to three Boy Scouts would be needed, but the whole troop could participate. The troop would need to provide adult supervision (1 during the day, 2 if staying overnight).

What's in it for the Troop?

Great way to earn service hours. PLUS....When the Boy Scouts are not working with the Webelos, you can work on the Cooking Merit Badge. The commitment to the Webelos is only 3-4 hours a day. The rest of the time is yours. If your troop does not have a Cooking Merit Badge Counselor, we will find one for you. We would provide food supplies for the day 2 meal not only for the Webelos, but also for the Boy Scouts. The rest of your meals would be the responsibility of the troop. You could stay overnight on the camp property or just make it a day time commitment.

When and Where?

Choose which date and location would work best for your troop:

- June 23-24 at Izaak Walton League of America Hamilton Chapter, Hamilton OH
- July 9-10 at Woodland Mounds Park, Kellogg Road, Cincinnati OH
- July 14-15 at Izaak Walton League of America Mt. Healthy Chapter, Colerain Township OH
- July 21-22 at East Fork State Park, Bethel OH
- July 28-29 at Camp Michaels, Union KY
- August 4-5 at Armco Park, Lebanon OH
