

## Eagle Requirement 5: Service Project

### Dan Beard Council Advancement Committee

**Requirement 5. While a Life scout, plan, develop, and give leadership to others in a service project helpful to any religious institution, school, or your community. The project idea must be approved by your scoutmaster and troop committee and by the district Eagle Coordinator before you start. You must use the Eagle Scout Leadership Service Project Workbook, No. 18-927, in meeting this requirement.**

#### *Scout Tasks:*

- 1. Successfully complete and document your Eagle Scout Leadership Service Project prior to turning 18.*
- 2. Have the organization representative sign and date the Service Project Workbook showing that the project was satisfactorily completed.*
- 3. Use the required mm/dd/yy format on all dates on the Eagle Application. The date on the application should match the date the representative signed the workbook.*

Upon completion, the project will be inspected and approved by your Scoutmaster and the representative from the organization served. ***The Leadership Service Project Workbook*** requires the signature of both mentioned people to declare your project finished and complete. You should prepare a "final report" of your project. This report should summarize your project; include all pictures, publications and your diary of events. The report will make it easier for the members of your Board of Review to recognize that your project is indeed worthy of being called an Eagle Scout Project. Be sure to emphasize your **Leadership**, your **Planning**, and your **Organization**.

#### **FREQUENTLY ASKED QUESTIONS**

##### **What is expected in the Eagle Scout Leadership Service project workbook?**

The workbook and the associated notebook is the complete record of all activities relating to the Eagle project. All work needs to be documented. The documents should be complete enough to demonstrate the value of the project and to show that the scout exhibited the required leadership.

##### **Does the organization representative need to sign for approval of the Eagle project workbook?**

Yes.
