Welcome to Peterloon – 2014 Are You Tougher than a Boy Scout?

Welcome to Peterloon – 2014! We have a big weekend planned for you!

Plans for Peterloon - 2014 are well underway, and the Scouters working on this event intend to make it the best mini Jamboree yet! As in year’s past, all Boy Scout Troops, Venture Crews, and Webelos Scouts are welcome to participate we look forward to seeing you at the event.

Peterloon will again be held at the Dan Beard Scout Reservation in Loveland, Ohio. Two years ago, 5,460 Scouts from 193 Units attended Peterloon. They included Troops, Crews, and Packs from 9 different Councils from over a four state area. Peterloon has been a Dan Beard Council event since 1927, and is named for the family farm where the giant campout was originally held.

This year’s theme is “Are You Tougher than a Boy Scout?....” This theme will be represented throughout the program and especially in the Action Center area where you will experience a number of hands-on Scouting activities. In addition, the program will also highlight the proud heritage of the Scouting organization.

Patrol and individual competitions, and many other fun activities will encourage Scouts to make new friends in their camping areas. Scouts and Scouters alike will demonstrate their know-how and skills by participating in the various Action Center activities on Saturday.

The midway expands for 2014 with over 50 exhibitors and activities including spar pole climbing, helicopters, historical displays, and many other outdoor fun and educational events on hand. The Arena show will be more exciting than ever with a DJ, Scout Talent Show Performances and a Laser Light Show.

So welcome, and may your Peterloon experience be wonderful and the memories last a lifetime!

Chapter 1 – What is Peterloon

HISTORY

Once every two years the Dan Beard Council calls all Boy Scouts to the banks of the Little Miami River for a unique gathering – Peterloon, the longest continuously operating camporee in the history of Scouting - a council tradition since 1927.

Back in 1927, the first Peterloon took place at Peterloon Farm, the estate of a prominent Cincinnati family, the Emerys. Over the years, the event kept the name, even after moving to other locations, such as a county park and a local airport. By 1965, Peterloon was located at the Dan Beard Scout Reservation Lower Camp Craig, where it has been held ever since.

The first event was created so that Scouts could make their own camping equipment and have overnight patrol camping. In 1927, 300 Scouts and leaders participated in the first camporee. Peterloon has retained a reputation for its fundamental approach to patrol competition, hands on experiences, and outdoor fun in the scouting traditions.

Some memories that the Council still talks about include the 1967 Peterloon, where pro football star quarterback Fran Tarkenton tossed a football to astronaut John Glenn at the Saturday evening campfire. Another year, the opening ceremony dazzled the participants with red, white, and blue aerial fireworks set off at the "rockets' red glare" during the national anthem. These were followed by red and white aerial fireworks during the playing of the Canadian national anthem, in honor of the many visiting Canadian troops. Other Peterloon ceremonies have featured a massing of the flags, including as many as 200 unit flags crossing the arena area. Such is the pageantry that each Peterloon has to offer.

Since the mid-1950's Peterloon has been held every other year. Waiting two years for the next event increases anticipation as participants look forward to what for many is both a celebration of Scouting and a reunion for Scouts of all ages.

CALLING ALL SCOUTS TO PETERLOON

Who Should Attend

Boy Scouts, Venturers, Webelos, and adults from everywhere in the world are called to Peterloon. Peterloon is a jamboree-style camp hosted by Dan Beard Council every two years.
**Boy Scout Troops & Venturing Crews**

Boy Scouts and Venturers of all ages are invited to attend Peterloon. All Councils throughout the Scouting world are welcome. In years past we have had the privilege of hosting Scouts from Canada and Israel and would love to entertain more Scouts from these and other parts of the world.

**Webelos**

Webelos who attend the whole weekend will camp overnight with a Boy Scout Troop of their choosing, and may camp one or both nights during Peterloon. Webelos may also attend for Saturday only activities. In either case, Webelos Scouts will find activities at Peterloon designed especially for them. Parents of Webelos are encouraged to share in the Peterloon experience, and there are no differences in activities or procedures for Webelos 1 and Webelos 2 Scouts.

For more information relating to Webelos, please see Chapter 4 - What to Do at Peterloon, Special Interest Areas of this Guide Book.

**OVERVIEW OF 2014 EVENT**

Chapter 3 – Transportation, Arrival and Check-In

PREPARATION

Before your troop departs for Peterloon from your home community, finalize your paperwork for check-in, load all gear into cargo hauling vehicles, and load Scouts into passenger vehicles.

- Check your paperwork: Unit Roster, T-shirt Order Form Confirmation, Volunteer Application, Tour Permit - if applicable, Medical forms
- Make sure your Scouts know your Sub-Camp area (1, 2, 3, 4, 5 or Sub Camp Zero).

Cargo Vehicle Passes – Delivering Equipment to your Campsite

Each troop that registers will be issued two vehicle passes for cargo hauling vehicles to enter your Peterloon campsite. Only cargo hauling vehicles displaying authorized vehicle passes will be admitted into the Peterloon campsite area. Scouts and Adults may ride in the Cargo Vehicles to Peterloon, and upon arriving, may assist in the unloading directly at your camp site. After unloading, the Cargo Vehicles (excluding trailers) must be driven to the remote Peterloon parking area.

Where to go – All Campers

Passenger vehicles carrying Scouts, Visitors, and Adult campers are to proceed to the designated Remote Parking Area for arrival to Peterloon (see information, below). Passengers will then board a shuttle bus to take them to the Peterloon campsite. Any gear not delivered to the campsite in Cargo Vehicles must be brought to the campsite by Campers and Visitors via the Remote Parking Area and the shuttle buses.

VEHICLES

To ensure the safety of participants and ease traffic congestion at Peterloon, the following vehicle plan has been developed:

Make sure your Scouts know your Sub-Camp area (1, 2, 3, 4, 5 or Sub Camp Zero). Maps will be available on the buses to remind Scouts of Sub-Camp locations.

Cargo Vehicle Passes are required to enter Peterloon campsite.
**Cargo Vehicles**

Advance registration is required to attend Peterloon, with advanced registration, each unit will receive two cargo vehicle passes to enter the Peterloon campsite for unloading only. There will be no vehicle parking in the fields after unloading.

- Each registered unit will be mailed 2 cargo vehicle passes that will allow the unit to haul their equipment into the Peterloon campsite. These will be mailed to you in early October, along with your campsite number.
- The requirements for vehicles to display passes to enter Peterloon will begin at 2:00 PM on Friday, Oct. 10, 2014.
- Troops will receive their Sub-Camp assignment with the 2 cargo vehicle passes via the US Mail in early October. Make sure you share with all Scouts and leaders your assigned Sub-Camp and campsite location.
- Vehicles hauling passengers only will be routed to the Peterloon remote parking area off Wards Corner Road near exit #54 from I-275. From there, shuttle buses will transport you to the Peterloon campsite.
- Troop trailers will be allowed into the campsite, and may remain parked at the campsite. The towing vehicle must have a cargo vehicle pass and must be moved to the Peterloon remote parking lot near the intersection of Wards Corner and I-275 immediately after unloading. No cargo vehicles will be allowed to remain in the Peterloon camping fields.
- To avoid traffic delays, registered troops are permitted to drop their troop trailer on Thursday night. This option requires advance permission. To request a Thursday night troop trailer drop, you must send an e-mail request prior to Oct. 3, 2014 to Hal Wood at halwoodmbc@yahoo.com to secure permission. That guarantees that your cargo vehicle will be admitted Thursday evening and Hal Wood will have someone ready to direct you to your campsite.

**Visitor Parking**

- All Visitors to Peterloon must use the Remote Parking Area unless other arrangements have been made with Peterloon Staff.

**Parking Area Tips**

To make your travel to Peterloon and parking more enjoyable, follow these tips:

Written certification from a licensed physician along with your handicapped parking mirror tag will be required in order to use the “Special Needs Pass”. Wrist Bands

Upon check-in, you will receive a registration packet that includes colored wrist bands for each Scout attending Peterloon with you. All registered participants will wear one color wristband. The wrist bands are required for admission to Peterloon and must be worn all weekend. Replacements will not be issued.

Locating your campsite

Your unit will be assigned a campsite in one of the five Sub-Camps. You’ll receive information about your campsite by mail after you’ve registered your unit.

Each Sub-Camp is assigned a number between 1 and 5. As you enter the Peterloon camping area and come to the "Y" in the road and proceed as directed.
When you arrive at your Sub-Camp, pull off the road and look for guides who will provide maps showing your campsite location. Please try to clear the entrance road as quickly as possible and keep the traffic moving. Friday evening can be very slow and congested otherwise. Incoming/Arrival Traffic Pattern will be changed this year and look for details in the Event Guide and/or Campsite Instruction Letter for more information.

Your campsite identification number will consist of the following:

- A number between 1 and 5 indicating the number of your Sub-Camp.
- A letter between A and E indicating the name of the aisle you should turn into in your Sub-Camp.
- A hyphen separating the Aisle ID from your specific Campsite ID.
- A number between 01 and 20 indicating the number of your campsite on the aisle. Odd numbered campsites will be on your right, and even numbered campsites will be on your left as you drive up the aisle away from the river. (Example, 2A-05 will be the 3rd campsite on your right in the first aisle in Sub-Camp 2.)

Unloading your gear

To unload Cargo Vehicles, go to your assigned Sub-Camp. Every driver needs to know his or her Sub-Camp Number (1, 2, 3, 4, 5, or Sub Camp Zero) in order to find your assigned camping area. Follow the guides and signs to your Sub-Camp's location.

Please use the following steps when unloading your gear:

1. Pull Vehicle to side of road to keep access roads clear.
2. Unload the vehicles.
3. Drop any trailers.
4. Remove vehicle from campsite: drive toward the river, turn right, and follow the exit road.
5. Deliver the Cargo Vehicle to the Remote Parking Area and ride the shuttle Bus back to Peterloon.

Helpful hints for setting up your Peterloon Camp Site

- Patrols/Troops set up camp.
- Set up dining fly first - put gear under it to protect from weather.
• Set up tents – then move personal gear into tents. Lay out sleeping gear.
• Finally, an identity piece at the entrance to your campsite will tell the other units who you are, and where you are from.
• Set up cooking and eating area, secure water and fuel supply.

**Campfires & Cooking Fires**

- There are no wood fires permitted within Peterloon campsites. Fires for meal preparation are permitted and must be limited to propane or charcoal fires in above ground portable fire pits or grills.
- Scouts are expected to practice Leave No Trace to protect the campgrounds.
- Ashes from charcoal fires must remain contained and transported off site safely.

**EARLY ARRIVALS**

*Early Arrival – Thursday Camp Set-up*

Peterloon staff strongly encourages units to arrive on Thursday any time after 12:00 noon to locate and set up your campsite early.

- Arrangement must be made in advance with the Peterloon Campsite Commissioner – contact information is listed below in this section of the Guidebook.
- No unit will be allowed to set up prior to noon Thursday, Oct. 9.
- Early arrivals on Thursday can set up their campsites and may camp overnight if they wish provided there is appropriate adult supervision provided by the unit at the campsite at all times.

*Early arrival – Friday before 2:00 pm*

Peterloon Campgrounds officially open at 2 pm on Friday, Oct. 10. Units wishing to set up their campsite prior to that time on Friday may do so with permission of the Peterloon Campsite Commissioner.

- Cargo Vehicles rules and permits are in effect during Friday, regardless of arrival time.
• Only cargo vehicles with permits will be admitted to the Peterloon site on Friday.

*Early Arrival Arrangements*

To arrange early arrival and set-up, contact Hal Wood, the Peterloon Campsite Commissioner, by email at halwoodmbc@yahoo.com or by phone at 513-509-1525, no later than 9:00 pm, Tuesday, September 30, 2014.

**LATE ARRIVALS – UNTIL 10:45 PM FRIDAY**

If you have parents delivering Scouts to Peterloon after football games or other activities on Friday night, be sure to direct them to the remote parking area off Wards Corner Road so Scouts can board the shuttle bus.

No cars will be admitted at the gates of Peterloon. Please inform parents to take Scouts to the parking area off Wards Corner Road just south of the I-275 exit.

**LATE ARRIVALS – AFTER 10:45 PM FRIDAY**

After 10:45 pm Friday, parents will have to drop off late arrivals at the Peterloon entrance (Lower Craig Cub World Entrance of the Dan Beard Scout Reservation) located at 6035 Price Rd.

No vehicles will be admitted to the campsite. All Scouts must carry in their gear. The campgrounds are expected to be quiet and dark at this time in the evening. Scouts should bring a flashlight, and be sure they know their unit number and the Sub-Camp (1, 2, 3, 4, 5 or Sub Camp Zero) where your unit is staying.

**SCOUT & LEADER TRAINING OPPORTUNITIES:**

**VISIT THE NYLT AND WOOD BADGE DISPLAYS TO TEST YOUR LEADERSHIP KNOWLEDGE!**

Scouts and Leaders can compete against each other. "Are You Smarter than a Boy Scout". Test your knowledge of leadership methods, scouting, Woodbadge and NYLT!
National Youth Leadership Training (NYLT)

NYLT is our council’s premier leadership program for Scouts and Venturers! NYLT centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

Wood Badge

Wood Badge is the ultimate leadership-training program for the adult leaders of the Boy Scouts of America. Similar courses on the corporate side cost thousands of dollars per attendee and may not offer the same depth. Wood Badge is a modern format of training that delivers the latest in 12 leadership skills that will help you be the best leader possible. These are skills that will become part of your everyday life. You will use these skills at home, church, and anywhere leadership is needed. The course provides the highest quality program with an experienced staff to a diverse audience. We promise you friendship, camaraderie, knowledge, personal awareness, and most of all fun, and its open to any adult leader!
National Eagle Scout Association

Do you know Kim? Are you mentally tougher than a Boy Scout? Test your teamwork skills at the NESA booth. What is NESA? The National Eagle Scout Association (NESA) is an alumni association for Eagle Scouts of all ages. Members receive a membership packet and four issues of Eagles’ Call magazine each year. NESA membership fees help fund the NESA scholarship program, which awards over 200 scholarships to Eagle Scouts each year. Membership is a great way for alumni to stay in touch with fellow Eagle Scouts around the world and mentor the next generation of Scouts who aspire to reach Scouting’s highest rank.

Merit Badge Challenge

Merit Badge Challenge is available to all registered Boy Scouts. This popular event improves advancement for all attending troops/crews and provides our youth the opportunity to explore vocations and new hobbies. Each Scout has the opportunity to earn up to three merit badges. Merit badges usually offered at summer camp are excluded from this event. The meeting dates at the four schools differ with each on location. Stop by the MBC display to learn more!

Order of the Arrow

For more than 95 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well. Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long-term resident camping, developing leaders, and providing cheerful service to others. OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich, support, and help to extend Scouting to America’s youth.

Gold Star Chili

Greater Cincinnati is Chilitown USA, and Cincinnati-style Chili is its official hometown dish. Limited menu.

Arena Show

- 8:00 pm – Event Begins

Peterloon’s big event, a new and enhanced Arena Show is on Saturday night. This event features a DJ, laser show and “Are You Tougher than a Boy Scout?” competition.

SPECIAL INTEREST AREAS

Adult Hospitality Area

- Saturday: 9:00 am - 5:00 p.m – Location: Peterloon HQ (Cub World Administration Building)
- Saturday: 9:00 am – 5:00 pm – Location: Castle

Leaders are welcome to take a break, catch up with old friends, and meet some new ones. A hospitality area with coffee, hot tea, hot chocolate, and fellowship is provided for your convenience.

Webelos

Webelos are welcome to participate during Peterloon and experience Boy Scout Adventure first hand. All registered Webelos Scouts will be admitted to participate in events designed especially for them and to participate where appropriate in other events designed for the older Scouts. There is no limit to the number of Webelos or leaders who can register.

Webelos may register in one of two ways:
1. Webelos wanting to camp overnight must register with a Boy Scout Troop which will act as your host. Host troops should preferably be a troop with which your Pack is already affiliated. You can camp both Friday and Saturday nights with your host troop!

2. Alternatively, Webelos not camping with a troop may attend for Saturday during the day only but still must register with your host troop (a reduced fee applies). There is no need from Council's perspective to list the Saturday only adults accompanying these Webelos since these adults are being admitted for free and will not receive any free patches. They will, however, have to sign-in and obtain a wrist band upon arrival Saturday before being allowed to enter the camporee.

Webelos Dens need to provide their own leadership to attend and should not depend on their host Scout Troop. The Webelos Den leadership should also be responsible for making sure proper medical forms are collected for their dens.

The Guide to Safe Scouting rules should be followed for sleeping arrangements. “…no youth may stay in a tent with an adult who is not their Parent or Guardian.”

Webelos leaders and Scoutmasters are responsible for making arrangements for transportation, menu planning, and cooking. Webelos and their leaders must arrange to have meals with the host troop or plan to provide your own meals.

They are also responsible for completing combined Peterloon registration forms for both units, which must be filed together, to include an accurate count of the number of Webelos Scouts, Boy Scouts, and adults who will be camping overnight. This count is needed to plan adequately-sized campsites.

If you don’t know a troop, attend your district's roundtables. In the Dan Beard Council roundtables, Peterloon Chairs and Scoutmasters will be present to meet with you and help you select a host troop for Peterloon.

Adults accompanying Webelos Scouts on Saturday will be admitted free, but their admission does not include the Peterloon 2014 official collector’s patch. Souvenirs will be available for purchase at trading posts in camp.
**Venturing Crews**

Venturing Crews will be intermixed with Boy Scout Troops throughout the Peterloon Sub-Camps. Locations will be determined based on when the Crew has registered for the event.

**Trading Post (Souvenirs)**

- Saturday: 9:00 am - 5:00 pm – Location: Fort
- Friday – 6:00 pm to 9:00 pm – Location: OA Shelter
- Saturday – 9:00 am to 5:00 pm – Location: OA Shelter
- Sunday – 9:00 am to 12:00 noon – Location: OA Shelter

Our Trading Post is a hit for Scouts and Scouters alike. The Post is located in the Fort and in the Order of the Arrow shelter in camping area. Here, you will find souvenirs, snacks, and pop for purchase. Bring items to trade with other campers, especially patches and souvenirs from past events, and purchase items to remember this year’s Peterloon experience.
Chapter 5 – Leaving Peterloon and After the Event

CHECK OUT ON SUNDAY

Process and Paperwork

- 8:30 am – Religious Service. Troops are encouraged to attend Religious Services.
- 10:00 am – Cargo Vehicles permitted to enter Campsite Area.
- 10:00 am – Campsite Inspections begin.

Vehicle Passes and Troop Trailers

Cargo vehicles are restricted from entering the Camp Area until after 10:00 am Sunday. This is for the safety of the Peterloon participants and to ensure that traffic congestion is kept to a minimum. These vehicles must remain at the Remote Parking Area otherwise.

Campsite Inspection

Your campsite will be inspected Prior to final check-out. The Sub-Camp staff will inspect campsites before releasing your unit. You are to request an inspection from the staff at Sub-Camp HQ when you are ready for inspection.

All units are expected to follow the “Leave No Trace” camping guidelines. Campsites must be clean enough for camp rangers to be able to cut grass without having to get off tractors and remove objects. Place rocks, logs, and natural debris outside of the camping fields and three feet into the tree line or other uncut areas. All units must police their campsite and dispose of bagged trash properly. Dumpsters are provided at each Sub-Camp HQ.

Upon successful inspection, the Sub-Camp staff will provide your Troop with your Peterloon patches and ribbons.

SITE HOSPITALITY AREA FOR ADULTS

There is a hospitality area for Adults at Camp. See Chapter 4 – What to do at Peterloon, Special Interest Areas for more information.

RELIGIOUS SERVICES

Religious Services are offered during Peterloon. See Chapter 4 – What to Do at Peterloon for information on services, times and locations.

CAMPFIRE POLICY AT PETERLOON

Peterloon does not permit campfires with your campsite. Please do not bring firewood to Peterloon to reduce transporting of invasive species. For more information on cooking meals, see Chapter 3 – Transportation, Arrival and Check-In.

VOLUNTEERING AT PETERLOON

To adequately staff all Peterloon activities, hundreds of volunteers will be needed.

We are asking each unit to volunteer two adults on Saturday to work 4 hours each. They will be working in the Food Court area, Action Center, or some other needed area. This will be in addition to any staffing needs a unit or district may have to manage and run its own events or any members a unit may have on any of the standing Peterloon Committees. These unit volunteers' names will be placed in a pool for assignment as needed to help run the many functions and activities of the overall encampment.

Use the Unit Volunteer Application form in Appendix A of this Guidebook.
ARRIVAL AT PETERLOON (PETERLOON GUIDE, CHAPTER 3)

General parking for Peterloon is at the Tipton Office lot located on the northwest corner of the I-275 and Ward’s Corner Road (Exit #54) intersection. All passenger vehicles will park here for the weekend and be shuttled down to the event site. Shuttles will run from 2 pm to 10:45 pm on Friday and 7 am – 11 pm on Saturday.

PARKING AT PETERLOON (PETERLOON GUIDE, CHAPTER 3)

There is limited space for handicapped parking and key event staff/ exhibitors on-site at Peterloon. Vehicles in these spaces must have the appropriate pass displayed in their windshields at all times throughout the event. New for 2014: Vehicles parked without this pass will be towed off-site. Vehicle owners will be responsible for fees associated with retrieval of their vehicle.

DROPPING OFF GEAR (PETERLOON GUIDE, CHAPTER 3)

Units will be allowed access to the Peterloon campsites beginning Thursday, October 11th at noon. We highly recommend dropping your unit trailer in your site on Thursday evening or Friday morning if possible. Beginning at 2:00 pm on Friday, only vehicles displaying a cargo pass will be admitted into Peterloon. Each unit will be issued 2 cargo passes (enclosed) for cargo hauling vehicles to enter the campsites. After unloading, cargo vehicles must return to the off-site parking lot until Peterloon concludes on Sunday.

CHECKING IN AT PETERLOON (PETERLOON GUIDE, CHAPTERS 2 & 3)

Your unit has been assigned a campsite in one of five sub-camps based on their order of registration and the size of your group. Upon arrival, your unit will be directed to their campsite. One unit leader should report to the sub-camp headquarters tent (a 20x20 enclosed tent) for check-in. Your unit is required to turn in a Peterloon specific attendance roster (enclosed) and will be issued wristbands for every participant. If you have Element of Danger Forms for the Tower, you will be asked to turn those at check-in as well.

FIRE AND WOOD BAN (PETERLOON GUIDE, CHAPTER 6)

Due to the very close proximity of each campsite, we have instituted a fire ban for Peterloon that includes all wood fires of any type. This ban does not extend to charcoal cooking which is allowed as long as no wood is added to the fire, the charcoal is contained in an appropriate pit up off the ground, and the ashes are properly disposed of. Due to the recent invasion of the Asian Longhorned Beatle, there is also a wood ban for the Dan Beard Scout Reservation.
prohibiting any wood from being brought into camp from any location (including Clermont County). To be clear, no wood (treated or untreated) is to be brought to Peterloon. Bamboo is allowed, but must be removed following the event. Please help us keep safe and protect our natural environment by adhering to these regulations. Finally, because of this ban on wood, there will be no Peterloon Gateway Contest in 2014.

SATURDAY VOLUNTEERS (PETERLOON GUIDE, CHAPTER 6)

As in past Peterloon events, each unit is asked to provide 2 volunteers on Saturday to assist with the administration of the various activities and services at Peterloon. Volunteers should check in at the Volunteer Tent located at the front of Cub World at either 8 am for morning shifts or 1 pm for afternoon shifts. Volunteers will not be asked to run these areas, but rather will hold supporting roles. If your unit is already engaged in delivering an activity or service at Peterloon, you do not need to provide additional volunteers.

ACTIVITIES AT PETERLOON (PETERLOON GUIDE, CHAPTER 4)

Beginning at 9 am on Saturday, Scouts can participate in a wide variety of activities and demonstrations in the Peterloon Action Center. Scouts should plan to be out of the campsite for the majority of the day and are encouraged to travel with water and sunscreen.

FOOD DRIVE & BLOOD DRIVE (PETERLOON GUIDE, CHAPTER 4)

Remember that part of this year’s event will focus on helping our community prepare to survive the daily “What ifs...” To that end, we will be collecting non-perishable food items for local food banks and conducting a blood drive at Peterloon. All participants are encouraged to bring food and anyone over 16 is encourages to donate blood at the Camp Craig Program Building. To pre-register for the blood drive, visit http://www.hoxworth.org/groups/campcraig.html.

TRADING POST (PETERLOON GUIDE, CHAPTER 6)

There will be three Trading Posts at Peterloon this year, offering everything from snacks and drinks to custom Peterloon merchandise. Trading Posts will be open on Friday evening and all day Saturday until the start of the Campfire Extravaganza.

SUNDAY DEPARTURE (PETERLOON GUIDE, CHAPTER 5)

A Scout is Reverent. Therefore, busses will not begin running during the religious services on Sunday morning, but will begin shuttling people back to their vehicles following services at 10
am. Cargo hauling vehicles will also be allowed to enter the Peterloon campsites beginning at 10 am. Please inform the parents in your unit that they will not be allowed into the campsite to pick up their child. All Scouts should depart Peterloon with their unit. If parents wish to pick up their youth, they may do so at the Peterloon lot on Ward’s Corner Road.

Tour and Activity Permits are required for units who are traveling to Peterloon from outside Dan Beard Council. Tour permits are not required for units within the Dan Beard Council.

Units will be required to present this completed plan upon arrival and Check-in.

- More information on the form can be found at: http://www.scouting.org/ScoutsSource/HealthandSafety/TourPlanFAQ.aspx
- National Tour and Activity Plan – complete this on-line with an interactive web site at: http://myscouting.org
- National Tour and Activity Plan – a PDF version is also available at: http://www.scouting.org/filestore/pdf/680-014.pdf

- Information on this form can be obtained at: http://www.scouting.org/ScoutsSource/HealthandSafety/ahmr.aspx

OPTIONAL – PARTICIPANT AGREEMENT FORM FOR RAPPELLING

Peterloon offers the opportunity to use established climbing and rappelling facilities on Saturday to all Scouts who are 14 years of age and provide an Agreement Form.

We operate these facilities safely with trained and certified instructors, but we are required to have a signed Participant Agreement Form submitted for anyone who wishes to use these facilities. If you plan on climbing or rappelling, you must bring a completed and signed copy of the agreement form, shown on the following page, to the tower with you.
• Participant Agreement Form – is available on-line at
  http://peterloon.danbeard.org/COPE.pdf

Each climber must have a properly completed copy with them. No one will be permitted to
climb or rappel without one. Bring the completed form with you to Peterloon.

OPTIONAL – T-SHIRT ORDER FORM

Tee Shirts may only be ordered online in advance. This is the only way to order the
Official 2014 Peterloon Shirt. You and your Scouts may purchase Peterloon shirts during
the event at the trading post, however those shirts will not have the 2014 Peterloon logo and
the price is substantially less when ordered in advance. We recommend you organize your unit
and place your Tee Shirt order to take advantage of these savings.

• Tee Shirt Order Form may be retrieved at:
  www.danbeard.org/peterloonshirt

You can find a printable version of the Tee Shirt Planning form on the following pages.

Tee Shirts will be distributed during Check-In.
