Welcome to Peterloon – 2019 Eras Of Adventure

Peterloon 2019 is going to be the best mini Jamboree yet! As in years past, all BSA Troops, Venture Crews, and Webelos/Arrow of Light Scouts are welcome to participate. And new this year – Cub Scouts can attend on Saturday and Sunday.

Peterloon will again be held at the Dan Beard Scout Reservation in Loveland, Ohio. In 2016, almost 5000 Scouts and Adults from 2013 units from 5 states attended Peterloon!

The Dan Beard Council is celebrating a historical legacy and highlighting the adventures of Scouting this year. Some of our milestones are:

- 100th Anniversary of Camp Friedlander with Peterloon being the “capstone” event
- 92 Years of Peterloon
- 109 Years of the Boy Scouts of America
- Four “eras” of historical Scouting

Get Ready for a New Experience

Peterloon is embarking on its most spectacular program! Enter through a gateway to each time-based Era and experience the activities that may have happened in that Era (sometimes with a modern twist). Each of the four Eras has its own geographic location on the Peterloon campus. Exhibitions and vendors are even theme-based to fit in with each Era.

Peterloon offers excitement around every corner. From hanging out at your campsite to camp-wide programs and shows, from tasty bites available from a fleet of food trucks to a fireworks display at the Arena Show ... *every minute of the Peterloon adventure has something to offer!*

Discover, explore, experience, create, participate, play and engage with thousands of other Scouts as you traverse the four unique Eras of Adventure at Peterloon.

Chapter 1 – What is Peterloon?

HISTORY

Once every two years, the Dan Beard Council calls all Scouts BSA to the banks of the Little Miami River for a unique gathering – Peterloon, the longest continuously operating camporee in the history of Scouting – a council tradition since 1927.

Back in 1927, the first Peterloon took place at Peterloon Farm, the estate of a prominent Cincinnati family, the Emerys. Over the years, the event kept the name, even after moving to other locations, such as a county park and a local airport. By 1965, Peterloon was located at the Dan Beard Scout Reservation Lower Camp Craig, where it has been held ever since.

The first event was created so that Scouts could make their own camping equipment and have overnight patrol camping. In 1927, 300 Scouts and leaders participated in the first camporee. Peterloon has retained a reputation for its fundamental approach to patrol competition, hands on experiences, and outdoor fun in the scouting traditions.

Since the mid-1950's, Peterloon has been held every other year. Waiting two years for the next event increases anticipation as participants look forward to what for many is both a celebration of Scouting and a reunion for scouts of all ages. However, Peterloon 2019 is extra special. This year marks the 100th anniversary of Camp Edgar Friedlander, which has served as home for thousands of Scouts throughout the region since 1919. Peterloon is the capstone event for the Council's Centennial Celebration, and is bigger and better than ever!

CALLING ALL SCOUTS TO PETERLOON

Who Should Attend

Scouts BSA, Venturers, Webelos/Arrow of Light, Cub Scouts, and adults from everywhere in the world are called to this jamboree-style camp hosted by the Dan Beard Council.

All participants including adults, must be registered in advance to attend Peterloon.

Scout Troops & Venturing Crews

Scouts BSA and Venturers of all ages are invited to attend Peterloon. All Councils throughout the Scouting world are welcome. In years past, we have had the privilege of hosting Scouts from Canada and Israel.

Venturing Crews will be intermixed with Scout Troops throughout the Peterloon Sub-Camps. Locations will be determined based on when the Crew has registered for the event.

Webelos/Arrow of Light

Webelos/Arrow of Light who attend the whole weekend will camp overnight with a Scout Troop of their choosing, and may camp one or both nights during Peterloon. Webelos/Arrow of Light may also attend for Saturday only activities. In either case, Webelos/Arrow of Light Scouts will find activities at Peterloon designed especially for them. Parents of Webelos/Arrow of Light are encouraged to share in the Peterloon experience, and there are no differences in activities or procedures for Webelos/Arrow of Light Scouts.

If you don't know a Troop, attend your District's roundtables. In the Dan Beard Council roundtables, Peterloon Chairs and Scoutmasters will be present to meet with you and help you select a host Troop for Peterloon.

Cub Scouts – NEW FOR 2019!

For the first time, Peterloon will be open to Cub Scouts. Cub Scouts will arrive on Saturday morning and may camp on Saturday night. Cub Scout attendees will be provided dinner on Saturday and breakfast on Sunday. Cub Scout attendees will be responsible for their lunch, but there will be plenty of food options, including food trucks. Cub Scouts may also attend for Saturday only activities.

Cub Scouts will find activities at Peterloon designed especially for them. Parents of Cub Scouts are encouraged to share in the Peterloon experience. Cub Scouts will be able to participate in most activities (with the exception of activities such as tomahawk throwing and some shooting sports).

- There will be a limited number of 2-person wall tents available in campsites. Packs can register to use those tents and cots.
- Cub Scouts are encouraged to carpool as parking at Camp Friedlander is limited. (more on parking on page 14 under Saturday Arrival)
- All gear and personal items need to be in containers, backpacks, etc. to assist with moving them from your vehicle to the camping area by Peterloon staff.
- Vehicles are NOT permitted out of the parking lot. No personal vehicles allowed into Peterloon camp.
- Cub Scout campers will be provided Dinner at the Dining hall prior to the Arena show and breakfast on Sunday morning.
- Possible Order of the Arrow Powwow near the dining hall for evening entertainment.
- Cub Scouts will leave Sunday morning around noon.

*Please note we will have more logistics details for Packs as we get closer to the event.

Make sure your scouts know your Sub-Camp area (1, 2, 3, 4, 5). Maps will be available on the buses to remind scouts of Sub-Camp locations.

VEHICLES

To ensure the safety of participants and ease traffic congestion at Peterloon, the following vehicle plan has been developed:

Cargo Vehicles– Equipment Drop off at Campsite

Troops should secure as much gear as possible in their cargo vehicles. These vehicles are allowed limited access within specific times for equipment drop-off and pick-up. All other gear must be carried by the campers from the Remote Parking Area.

Peterloon is held in Camp Lower Craig (also known as “Cub Scout Adventure World”) at the Dan Beard Scout Reservation at 6035 Price Road, Loveland, Ohio 45140. Map on page 6.

Cargo Vehicle Passes are required to enter Peterloon campsite

- Each registered unit will be mailed two Cargo Vehicle Passes that will allow the unit to haul their equipment into the Peterloon campsite. These will be sent by late September, along with your campsite number.
- The requirements for vehicles to display passes to enter Peterloon will begin at 2:00 pm on Friday, October 4.
- Troop trailers will be allowed into the campsite, and may remain parked at the campsite. The towing vehicle must have a cargo vehicle pass and must be moved to the Remote Parking Area immediately after unloading. No cargo vehicles will be allowed to remain in the Peterloon camping fields.
- Scouts and adults may ride in the Cargo Vehicles to Peterloon, and upon arriving, may assist in the unloading directly at your camp site.
- To avoid traffic delays, registered troops are permitted to drop their troop trailer on Thursday night. This option requires advance permission. *Contact info TBA.*

There will be no traffic within the Peterloon site after 9:00 pm Friday through 10:00 am Sunday morning. (Exception: emergency traffic and support vehicles necessary to the operation of Peterloon, First Aid or other special needs.)

Remote Parking Location – Tipton Interests Office Park

ARRIVAL AT CAMPSITE – FRIDAY 2:00–9:00 PM

Check-In

Upon arrival at the campsite, your Unit Leader should report to the Area Staff at Sub-Camp HQ. Bring a copy of your paperwork with you. (See Event Paperwork in Chapter 2 of this document.)

Cargo Vehicles must be moved to the Remote Parking Area immediately after unloading. All vehicles must be out of your campsite by 9 pm Friday.

Please follow the traffic pattern below page as you drive.

Traffic Pattern and Check-In Stations

Refer to the graphic below for the traffic pattern for cargo vehicles and the location of your Sub-Camp Check-In station.

CAMPING AREAS

Peterloon is grouped into Sub-Camps, or Camping Areas.

Sub-Camp Hosts

Each Sub-Camp is hosted by Scout Commissioners. They will be available during check-in to assist in locating your campsite.

Locating Your Campsite

Your unit will be assigned a campsite in one of the five Sub-Camps. You'll receive information about your campsite by mail after you've registered your unit.

Each Sub-Camp is assigned a number between 1 and 5. As you enter the Peterloon camping area and come to the "Y" in the road and proceed as directed.

When you arrive at your Sub-Camp, pull off the road and look for guides who will provide maps showing your campsite location. Please try to clear the entrance road as quickly as possible and keep the traffic moving. Friday evening can be very slow and congested otherwise.

Your campsite identification number will consist of the following:

- A number between 1 and 5 indicating the number of your Sub-Camp.
- A letter between A and E indicating the name of the aisle you should turn into in your Sub-Camp.
- A hyphen separating the Aisle ID from your specific Campsite ID.
- A number between 01 and 20 indicating the number of your campsite on the aisle. Odd numbered campsites will be on your right, and even numbered campsites will be on your left as you drive up the aisle away from the river. (Example, 2A-05 will be the 3rd campsite on your right in the first aisle in Sub-Camp 2.)

Unloading Your Gear

To unload Cargo Vehicles, go to your assigned Sub-Camp. Every driver needs to know his or her Sub-Camp Number (1,2,3,4, 5) in order to find your assigned camping area. Follow the guides and signs to your Sub-Camp's location.

Assist other Scouts by removing your gear from your Cargo Vehicles quickly, and keeping access to their campsites and the roadways clear.

Please use the following steps when unloading your gear:

1. Pull Vehicle to side of road to keep access roads clear
2. Unload the vehicles
3. Drop any trailers
4. Remove vehicle from campsite: drive toward the river, turn left, and follow the exit road
5. Deliver the Cargo Vehicle to the Remote Parking Area and ride the shuttle bus back to Peterloon

Helpful hints for setting up your Peterloon Camp Site

- Patrols/Troops set up camp
- Set up dining fly first – put gear under it to protect from weather
- Set up tents – then move personal gear into tents. Lay out sleeping gear
- Finally, an identity piece at the entrance to your campsite will tell the other units who you are, and where you are from
- Set up cooking and eating area, secure water and fuel supply

Campfires & Cooking Fires

- There are no wood fires permitted within Peterloon campsites. Fires for meal preparation are permitted and must be limited to propane or charcoal fires in above ground portable fire pits or grills
- Scouts are expected to practice Leave No Trace to protect the campgrounds
